A. Headline Real News for Thurs. 10 March 2022:

- **The Kremlin issued a statement late Thurs. 10 March: "Friday evening (11 March 2022) will be beautiful for the whole world."** When asked what this meant, a representative of Russia stated, "Russia has entered a road of no return. We cannot submit to NATO. It's all about to crash. Domino effect. The Storm. Out of the ashes the Phoenix will rise. Prepare now. Stay strong. God Bless Our World!

- **The Department of Defense** has mandated that the Tier 4B Security Codes be completed by **Thurs. 10 March.**
- **Pfizer has been court ordered to release** studies on their vaccines against Covid-19 Those studies revealed a terrifying look at the catastrophic consequences of mRNA injections. Of the 42,000 recipients who participated in a three-month study, 1,223 died – a staggering 3% mortality rate. Nine pages of the publication was dedicated to adverse side affects of the vaccine.
- **Russia's main goal in invading Ukraine** was to free the people from their Nazi government there that has been established since after World War II. The Russian Army claims Ukraine was killing their own people and blaming the atrocities on Russia.
- **The Russian embassy in London** has accused a Ukrainian beauty influencer of being a crisis actor at a Ukrainian maternity hospital blast that killed three people. The Kremlin's embassy in London first stamped a giant "FAKE" over tweeted photos of Wednesday's atrocity in Mariupol, insisting the hospital only housed neo-Nazi radicals.
- **Putin didn't just invade Ukraine, he ended the Petro Dollar SWIFT System.** https://www.australiannationalreview.com/state-of-affairs/vladimir-putin-didnt-just-invade-ukraine-on-24-02-2022-he-officially-ended-the-petrodollar-system/
- **Putin knew that the US response to an invasion of Ukraine** would be to sanction Russia from the SWIFT Financial System that was based on the Petro Dollar. This indeed happened.
- **Russia has built up huge Yuan, gold & commodity reserves** and knew they would be functioning in the new gold-backed global financial system which didn't need the Petro Dollar they were sanctioned from.
- **Russia's response to the sanctions,** then, was to shut off oil/gas pipelines to Europe, causing massive price and supply disruptions (war level) to the western markets & monetary system, and thus helping to bring down the Petro Dollar so as to bring in the gold-backed system.
- **Another result of the Russian invasion was the assault on the New World Order Depopulation Agenda.** US Inc. Cabal/ CIA was funding with US Taxpayer Dollars, an international Child Sex Trafficking Ring that ran through Underground Tunnels buried deep beneath Chernobyl and Biden-owned property in the Nazi Government-controlled Ukraine. The first action Putin took when invading the country was to rescue the children from those underground tunnels and arrest their perpetrators.
- **The Biden/Obama Administrations** also have been overseeing 336 illegal Bio-Weapon Laboratories in 30 countries that used the pathogens of birds, bats reptiles and mosquitoes to create deadly viruses such as Anthrax, African Swine Fever and Covid-19, for a New World Order plan to unleash them on the general public in connection with their Depopulation Agenda. There were 30 of those Bio-Weapon labs in Ukraine which were destroyed by the Russian army.

- **Deleted Web Pages Tell Us Obama Is The One Who Led Efforts To Build The Ukraine-Bio labs** Handling ‘’Dangerous Pathogens!’’ https://thetruedefender.com/deleted-web-pages-tell-us-obama-is-the-one-who-led-efforts-to-build-the-ukraine-biolabls-handling-dangerous-pathogens/
- **The bad news:** Rogue Obama has hidden Deep State Nukes.
- **Joe Biden also has ownership in a Chinese Communist Party Lithium Company**. The Deep State across the world was pushing Climate Change for several reasons – one main one was to go to full lithium electric cars – which would give the Cabal the ability to shut off the electric cars at any moment for any reason if people didn’t comply to their mandates.
- **The Cabal has placed 5**-G Towers around the US with harmonics that were a danger to humanity, animals and nature. Airlines have refused to fly their planes if a 5G Tower was nearby because it interfered with a plane’s guidance system. These 5G harmonics can also communicate with the Graphene in a person who was vaccinated and change that person’s mood state, drive them insane, or make them very angry.
- **Media propaganda outlet CNN** announced they would discontinue operations in Russia after Putin signed into law a bill mandating jail terms for persons broadcasting Fake News.
- **The Military** won’t step in to enforce Martial Law until a revolt happens.
- **A serious Event was coming very soon.** Be prepared by having at least 2-3 weeks worth of food, fuel, cash and essential items on hand.

B. Global Currency Reset:

- **On Thurs. morning 10 March at 1:01 am EST** according to Bruce, the fiat US Dollar and old SWIFT Financial System would be defunct and both the Restored Republic and new US Treasury Notes would be in effect, while the Department of Defense has mandated that Tier 4B security codes be completed on **Thurs.** according to separate and very valid sources.
- **Last Friday** the Central Bank of Iraq committed to three days to RV. They were closed Sunday and Monday. Nothing was released Tuesday or Wednesday. Today the discussion from Iraq was that the IQD will begin on FOREX with a starting float rate of $1.50. The International Rate was not yet being discussed.
- **On Thurs. 10 March** all Bond Holders were being put under Non Disclosure Agreements.
- **Fri. 11 March** was considered Zero Day as according to Putin, the Russian Ruble would then be gold-backed and the Central Banks’ Petro Dollar would then fast decline. https://clifhigh.substack.com/p/zero-day
- **On Sat. 12 March** as 209 countries across the globe disconnected from the old SWIFT global financial system, problems would arise with the Petro Dollar, while international dollar settlements were expected to persist.

- By **Sunday 12, 13 March** the associated worldwide economic problems with oil were bound to appear and shatter the Markets for a potential **Mon. 14 March crash** – just in time for **Tues. Ides of March 15** when traditionally debts were to be settled:

C. Project Odin:

- **They will announce the Queen's death,** afterwhich three days plus ten days of mourning would ensue where everything stops in a "Bay of Pigs" Scenario.
- **To do the QFS transfer,** all Banks and Stock Markets across the world will close. They have 3 to 5 days to do the transfer: https://www.google.com.au/amp/s/www.businessinsider.com/what-happens-when-queen-elizabeth-ii-dies-king-charles-2018-6%3famp
- **You will need some cash out** as ATM's/EFTPOS machines will go down.
- **They will kill the Internet**, then announce the Queen's death, followed by a Bay Of Pigs-like three day weekend war. During Ten Days of Darkness and Emergency Broadcast System release, a Global Currency Reset and bombings of 34 Satanic buildings globally would occur.
- **Whiplash347, JFK Jr.:** Taking out naZi – Zionist. One in the same and they just don't know. Operation Z. Israel is last. Zion is last. Zion Wuhan/ Big Pharma/ 3GD. Rods Incoming. Paris shooting arrow into Achilles.

D. Whiplash347 Three Day Event, Ten Days of Darkness:

- **A worldwide Blackout** was part of the US Space Force Trump Card.
- **It should be a quick change over** to Tesla Free Energy. See Texas Tower & Tesla Battery Installations – needed power for the Emergency Broadcast System.
- **Ten Days of Disclosure:** 3 x 8hr Movie - 24/7 for 10 days in many languages.
- **No Texts or Phone Calls.**
- **No Internet** while Operation Mockingbird being wiped, (rebooted) and Project Odin Starlink Internet coming Online.
- **Just Signal App** - Highly Encrypted Mil App connected to the Military Satellite – download in Play Store. Signal was no longer controlled by the CIA, but by the White Hat Military Intelligence, NSA.
- **The Turksat Rocket** was a Military Satellite for Military Comms to TVs and Radios for Europe, Africa, the Mid East and Asia.
- **Get all of your photos off Facebook,** Twitter, Insta etc. as they were going away and never returning.
- **The new platforms were controlled** by Trump/White Hats/Space Force etc.
- **Before phones were disabled** all phones worldwide would receive seven messages from President Trump.
- **Market crash, then a transfer of wealth.**

E. Joe Biden has ownership in a Chinese Communist Party Lithium Company. The Deep State across the world was pushing Climate Change for several reasons – one main one was to go full lithium electric cars – which would give the Cabal the ability to shut off the electric cars at any moment for any reason if people didn't comply to their mandates.

- That's why every major car company in the world was producing more than half of its market to go Lithium by 2023.
- The Chinese Communist Party was already in talks with the Taliban and Biden/Obama Deep State controlled regimen.
- The Deep State Cabal (UN, Obama, GPMB, Rothschild, Rockefellers, World Banks, Vatican, Bilderberg, WEF, ect.) had already planned to execute the Plandemic Plan, while in the chaos initiate Climate Change (weather weapon manipulation), confusion, chaos, floods, droughts, fires, mass storms, hurricanes, abnormal winters, ect. distractions.
- Those distractions would cover vaccine deaths (bio-weapon attack).
- In the spring of 2022 gas would rise. By the summer of 2021 gas would be inflated to 9$ a gallon in U.S and consumers would be forced to go to lithium electric cars.
- Afghanistan was planned long ago. There was trillions in Afghanistan in lithium. Biden was already seeing a 300% increase in his company he's heavily invested in: Contemporary Amperex Technology co. Limited (CATL).
- The next stage of their plan was to get you hooked on legal drugs to make a Zombie Nation. Now they have introduced Covid pills. This would give them less resistance to the New World Order takeover.
- The Military won't step in until there was a mass revolution.
- **A serious Event is coming soon.** Be prepared by having at least 2-3 weeks worth of food, fuel, cash and essential items on hand.

F. Russia was destroying underground DUMBS, rescuing Satanic Ritually Abused children and killing Nazis in a Russian Operation called Z.

- The name of the Russian Operation is Z - The tattoo on JFK Jr's right arm is Z.
- Obama, Biden and the Deep State have controlled Ukraine for a very long time. It was a child trafficking hub and money laundering operation.
- There will always be casualties of war. Innocents caught in between. Evil uses innocent people as Shields. However, when the MSM reports that innocents are being killed as a primary narrative, it is to play on your heart strings. MSM has lied to us from the beginning. Why would they start telling the truth now, in the middle of this war? Don't be fooled! Think of the "Ukraine Invasion" differently.

K. Wars and Rumors of Wars:

- **Ukraine:** The United States helped neo-Nazi Azov battalion. The Chinese newspaper "Global Times", demonstrating to the world the official view of the leadership of the PRC, published an article about the neo-Nazi battalion "Azov" and its support by the United States. Ironically, despite the fact that many considered the Azov battalion a threat to world security and an enemy of human civilization, it had links not only with the Ukrainian authorities, but also with the United States. It's time to remember how the Nazis from Azov tear down humanitarian corridors from Mariupol and place firing points in residential buildings.
- **Deep State War:** Thousands of Weather Patents exist that use Tectonic weapons. Let's see who will use the Tectonic Weapons to create massive earthquakes for inside current war states. Earthquakes of the century expected. It has always been the Elite Globalist plan to create bio weapon movies and create a pandemic (Plandemic), create sun flares (advanced electromagnetic pulse weapons) to shut down grids satellites, create a fake UFO invasion,(look to Pentagon, MSM,Vatican all pushing alien UFO story).
- **The Rockefellers/ Rothschilds** have long had a fascination and plan to erase the current religions and bring in a new religion connected to earthquakes around the world that would uncover historical High Tech civilizations under the ground and artifacts including a false Asteroid explosion on earth.

- **The Globalists** are trying hard to push their agenda as fast as they can before Durham exposes the world corrupt Elites connected to HRC/ Obama/ world banking system that controls Big Tech, Pharma, MSM, ect.

L. Bio-Weapon Labs:

- **Chinese Foreign Ministry spokesman Zhao Lijian on American biological laboratories in Ukraine:** "The United States controls 336 laboratories in 30 countries, including 26 in Ukraine alone. The United States should fully report on its biological warfare activities at home and abroad, providing access to a multilateral review."
- **The Ministry of Defense of the Russian Federation** stated that experiments were being conducted in American biological laboratories in Ukraine "with samples of bat coronavirus." They say that in 2022 they planned to work with pathogens of birds, bats and reptiles in order to create deadly viruses: Anthrax and African Swine Fever.
- **Bio-Weapon War:** Bill Gates has warned that terrorists would release the next Bio-Weapon Attack. (This actually means that Gates/ UN/ NATO/ Rothschilds/ Rockefellers/ Vatican/ World Banks Cabal Deep State were actually getting ready to release the next Bio-Weapon).
- **Obama Mass Murderer: Deleted web pages reveal that Obama pushed for the development of a Ukrainian bio lab for "particularly dangerous pathogens."** The article, unearthed by National Pulse, raises serious questions about U.S. government activities in Ukraine spanning nearly two decades. A deleted web article rediscovered by The National Pulse reveals that former President Barack Obama spearheaded an agreement to build bio labs for "particularly dangerous pathogens" in Ukraine.The news appeared on the same day that Victoria Nuland, the Biden regime official, told the U.S. Senate that the U.S. government was concerned about biological research facilities falling into Russian hands as a result of the ongoing conflict in Eastern Europe. The article, titled "Biolab Opens in Ukraine," was originally published June 18, 2010, and describes how Obama helped negotiate an agreement to build a biosafety level 3 laboratory in the Ukrainian city of Odessa during his tenure as an Illinois senator.The article, which also highlighted the work of former Senator Dick Lugar, also appeared in Issue No. 818 of the Outreach Journal of the United States Air Force (USAF) Counterproliferation Center. "Lugar said plans for the facility began in 2005, when he and then-Senator Barack Obama partnered with Ukrainian officials. Lugar and Obama also helped coordinate efforts between U.S. and Ukrainian researchers that year to study and prevent avian flu," said author Tina Redlup. A 2011 report by the U.S. National Academy of Sciences Committee on Anticipating Biosecurity Challenges from the Expansion of High Security Biological Laboratories Worldwide explained that the Odessa laboratory "is responsible for identifying particularly dangerous biological pathogens." "This laboratory was rebuilt and technically upgraded to BSL-3 security level under a 2005 cooperative agreement between the U.S. Department of Defense and the Ukrainian Ministry of Health. The

cooperation focuses on preventing the spread of technologies, pathogens and knowledge that can be used to develop biological weapons," the report continues. "The updated laboratory serves as a temporary central reference laboratory with a depozitarium (pathogen collection). In accordance with Ukrainian regulations, it has a permit to work with both bacteria and viruses of the first and second pathogenic groups," the report says. A separate document on the BioWeapons Prevention Project's Ukrainian Biolab Network describes in more detail the range of pathogens with which the facility has conducted research. Among the viruses the lab studied were Ebola and "pathogenicity group II viruses using virological, molecular, serological, and expressive methods." In addition, the lab "provided specialized training to professionals on biosafety and biosecurity issues when handling dangerous biological pathogens." The biolab facility that has come to light is the result of intense scrutiny of the U.S. government's decision to fund risky functional gain research in Wuhan at a Chinese Communist Party-run lab with military ties. https://thenationalpulse.com/2022/03/08/obama-led-ukraine-biolab-efforts/

- **The Russian Ministry of Defense publishes materials on the implementation of the military biological programs of the United States** and its NATO allies on the territory of Ukraine. The military department shows information about: Transfer of biomaterials from Ukrainian laboratories to Australia and Germany; Project for the study of bats; Project for the study of migratory birds UP-4 and protocol for capturing birds from Ukraine in Russia; Acts of destruction of evidence in bio-laboratories.
- **The Russian Defense Ministry reports on a US Bio-Weapons project in Ukraine:** Migratory birds were preparing to be released to infect with deadly viruses. Also in biological laboratories on the territory of Ukraine there were experiments with samples of bat Corona virus. During the ongoing military special operation, 2911 objects of the military infrastructure of Ukraine were destroyed (including 97 aircraft, 107 unmanned aerial vehicles, 141 anti-aircraft missile systems of air defense, 986 tanks and other armored combat vehicles, 107 multiple launch rocket systems, etc.)
- **BREAKING -** Russian MOD has released evidence on the Ukrainian Biological Labs funded by US state department.
- **Labs were collecting "Slavic DNA"** to work on pathogens & other bio-agents to target specific people mostly Slavic people. Ukrainian & Georgian Bio-labs are carrying out experiments where these deadly pathogens are transferred to Bats to make them "vectors" or "carriers" to transmit these deadly diseases.
- **US and Ukraine was carrying out** the very same experiments that were carried out by the Japanese "Unit 731" or "Detachment 731" during the WW2, these plants were disguised as water purification plants. https://en.m.wikipedia.org/wiki/Unit_731
- **The Pentagon** was also interested in "insect borne vectors" and that research was ongoing at multiple Bio-labs in Ukraine, but when Russia started it's military operation more than 140 containers with Ecto-parasites of Fleas & ticks were transferred to an undisclosed location or country.

M. Global Food, Fuel and Gas Shortages:

- **U.S. Inflation Hit Fresh 40-Year High of 7.9% Before Oil Spike.** U.S. consumer price gains accelerated in February to a fresh 40-year high on rising gasoline, food and housing costs, with inflation poised to rise even further following Russia's invasion of Ukraine.
- **Many Italian paper mills have suspended operations** due to rising gas prices," said Lorenzo Poli, president of the National Association of Paper, Cardboard and Pulp Manufacturers Assocarta. "If in December Italian paper mills paid 5 times more than usual for natural gas, on the basis of which electricity is produced, now its cost has increased 10 times on average, and even 15 times at peak times."
- **France:** "Incredibly, prices have been rising rapidly for several months, and now the government is asking the French to "endure" because of military events: this government really doesn't put the French in anything!" …Gilbert Collard, MEP

N. Covid/Vax Hoax:

- **Dr. Peter McCullough Raises the Alarm on Vaccine-Induced Myocarditis**. "It's far more common than we ever thought, and it's far more serious than we ever thought. The highest risk group is men ages 18 to 24, where the rate is over 500 cases per million (greater than 1 in 2000)... This is an astronomical number of people sustaining heart damage."

- **China** has threatened that if they put sanctions on China because it supports Russia, that there would be a serious response, while North Korea has been developing spy satellites to spy on US, Korean and Japan's Military. This Big Three would bring on the Scare Event.

- **5G Towers were killing birds** who flew by them. People who think 5G is not a danger to humanity, animals and nature in the world cannot give an explanation to why birds have died on top of the 5G tower? These 5G harmonics can also change someone's mood state, driving people insane for example, or made very angry.

P. The Ministry of Defense of the Russian Federation reports:

- **Since the beginning of the special operation**, the Armed Forces of the Russian Federation have destroyed 2,814 objects of the Ukrainian military infrastructure;
- **Nazi Ukranian Nationalists are preparing provocations in Ukraine** using toxic substances to accuse Russia of allegedly using chemical weapons;
- **About 80 tons of ammonia** were imported by the Nazi Ukrainian Nationalists to the settlement of Zolochiv north-west of Kharkiv.

Q. Thurs. 10 March 2022 White Hats Army: Why does TRUMP still push vaccines?

- **That answer** connects to Military Tribunal War Crimes Courts and Crimes Against Humanity Nuremberg Code Trials.
- **In this Final Events Phase** Trump will expose and bring down the world's corrupt Cabal System and needed the evidence to give him power to do so.
- **Fauci, scientists, NIH, CDC, NIAIH and WHO** world health boards organizations colluded to give Trump false evidence and information of a pandemic and illicit vaccines. They pushed through corruption of have him release deadly vaccines.
- **In the World Court Military Trials** Trump will expose the entire system, like how the first batches of vaccines released through Operation Warp Speed were mainly fake (placebo) vaccines.
- **He will also explain** why infiltration into the Deep State vaccine world was necessary.
- **How do you expose a worldwide corruption system** connected to World Banks, Big Pharma, Big Tech, the CIA, UN, WHO, NIH, CDC, Chinese Communist Party, etc? How do you expose all those who colluded in the Crime of the Century by creating viruses and Bio-Weapon Vaccines? – by infiltration.
- **Trump released the vaccines in record time** that the Deep State didn't think he could do. The early release of the vaccines threw the Deep State Plan into chaos.
- **Then the collapse began:** World Banks, Investors, Brokers, Share holders of the vaccine companies and pharmaceutical companies went into confusion and panic. Half of trillions were lost in the unsure world stock money markets in first few days of January 2020. Panic set in and millions of investors pulled their money!
- **If Trump didn't release the vaccines** when he did the world would have been in deeper trouble with harder lockdowns, destruction of the economy and real mass deaths with different Bio-Weapons.

- **The placebos were in the vaccines** because Trump saved lives by pushing the Deep State Agenda early – too early for the Deep State to be ready. Even now the Deep State can't keep up with vaccine production that installs the placebos.
- **Trump will expose** every corrupt institution that gave him the false data, evidence and falsified information on the Covid-19 and vaccines.
- **That exposure will lead to** the foreign occupation that controls these corrupt institutions throughout the US and world.
- **In a way Trump was a sacrifice.** He had to make these moves and knew he was going to get into trouble in the end. He also knew he would be insulated by the Military who placed him in the position.
- **These moves had to happen.** The Deep State was still going to release the Bio-Weapons and deadly vaccines with or without Trump in office. There was no way to stop the Cabal Plan. The only way was to seize control of the Cabal plan was through infiltration, exposure and in the end, through Military Courts for full declassification. Join @WhiteHatsArmy

1. In the nuclear world where I worked for 9.8 years and the nuclear community where I have lived since 1999... one does not start a 'job' until one has a very clearly defined understanding about what the dangers are in the work to be done. No assumptions can be made. One must KNOW what one is walking into, or serious consequences can happen.... including death.

2. I am using all of my skill sets (science, education, and nuclear) to the best of my ability... to find the best information ...about both sides of our global war... and I also include Biblical references albeit the Vatican tampered with them.... to give us a better idea about what is directly ahead of us. So far, my predictive pattern is holding TRUE. The only time I was thrown into the pond of ignorance was January 21, 2021" when Trump redirected everything that we had been told by all sources.... so I climbed out of that swamp pond, avoided the snakes and alligators, and stood on the previous stable stone of evidence, and recalculated. So far, we are on target with what I know.

3. The Plan for the "White Hats" was written in 2009, discussed with a trusted journalist in 2012, and I made my own transcript of that discussion in 2014 when I discovered it. I have been "proofing" it with evidence since that time. The Alliance is very real... and the ETs assisting are very real... and our Living Almighty God is very real... and so is the horrid Khazarian/ World Economic Forum/ United Nations cabal.

4. The Contract Law "Salvation, Redemption" of the USA did happen in 1999 by two young men that had the guts to get up and learn something hidden from us. They captured the nation's flat... Title 4 Section 1.9 standard military... and circled the globe using Navy White Hats to install the new Financial Owner of the United States of America. This SAVED this nation from the "THIRD AND FINAL BANKRUPTCY" which the Bush family planned to turn over this nation to the Throne of England for its capture. The Cabal did not like what happened and REFUSED to obey International Contract War, thereby the Alliance nations engaged in a fight for the world.

FACT: I am in contact with someone who was on the inside of the Bush cartel when that happened and has confirmed it was real, and with the man who holds the contract for our American Flag flown by the U.S. Navy.

U. "Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities," by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. RAW: Dr. Colin Ross – Robert David Steele

Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube http://www.youtube.com/watch?v=F626Lsrdwg4 **Judy Note:** YouTube has fixed these links so they don't work. I suggest you goggle to connect to the link, or better yet use DuckDuckGo.

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan appeared to be organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

V. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses to pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

W. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

X. The Global Currency Reset and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who were right now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: https://www.youtube.com/watch?v=4Mb9gU6DmKs

Y. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for 90 days, so I will be going silent and taking those 90 days to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
