Judy Note: On Sun. 13 March Zero Intel was to be found on the Global Currency Reset.

- **Apparently all Bond Holders** had signed Non Disclosure Agreements and couldn't leak what was going on in the Global Currency Reset of 209 nations, though **on Thurs. 10 March** the Arab Dinar was actively trading at a 4.15785 against the US Dollar.
- **The conflict between Russia and Ukraine** was sending ripples through the global economy – inflation leading to hyperinflation, which was set to lead to a new gold-based global monetary system.
- **Civilization Near Death Scare Event:** The Russians found in Ukraine – the Epicenter of the Cabal's Satanic Operations – 30 Bio-Weapon labs of the New World Order, along with a Depopulation Plan to wipe out 70% of our population this next Fall.
- **Documents and proof of 336 such Bio-Weapon labs** across the world that Globalists Obama and Biden had set up and funded with US Taxpayer dollars, were presented to the UN **last Fri. 11 March** – which took no action.
- **Considering discovery and presumed destruction** of the Globalist's Bio-Weapon labs along with destroying their money-making DUMBS and Underground Tunnels across the globe that held their International Gun, Drug running and Child Sex and Human Trafficking rings, when added to their recent failure to establish medical tyranny through

Covid-19 and knowing the Cabal would go down fighting to their very last breath, the question then arose: **Was a large scale False Flag Cyber-Attack imminent?**

A. Sun. 13 March Fleming on the Global Currency Reset:

- **This will be our last weekend of wait-for-it-RV-GCR.** It's already begun. The US is dead last, but we're the biggest. We are the most important Nation State with the largest number of "exotic currency and digital currency – XRP- holders," in the world. The Great Shift has begun.
- **Putin said, "Friday evening (11 March) will be beautiful for the whole world." Friday 11 March** was the day that Russia announced to the World at the UN Security Council Meeting, that the US Deep State MIC, had harmed much of this world and must be stopped. It was the Day that Truth Was Shared. It is also the day that begins NUREMBERG 2.0.
- **Here's Judy Byington's take** on the state of this world. She has it 100% right. **Judy Note on Fri. 11 March:**
- **Russia, China, India, Indonesia, Iraq, Kuwait and the US** were the top gold holders and would go to gold backed currency on **Fri. 11 March.**
- **Tiers 1, 2, 3 bond holders** were to be made liquid with bonds paid out Thurs. night 10 March, or after markets closed on **Fri. 11 March.**
- **Bruce reported:** An executive from the lead bank Wells Fargo said Tier 4B (us, the Internet Group) notifications would come out **Mon. 14 March,** with appointments starting on **Ides of March Tues. 15 March.**
- **Arab Accounting Dinar Exchange Rates:** <https://dinarrecaps.com/our-blog/militiaman-interesting-data-on-the-amf-3-13-2022>
- **The Arab Accounting Dinar** (AAD) is the official and reporting currency of the Arab Monetary Fund. Its exchange rates are fixed by the Arab Monetary Fund (AMF) equivalent to three units of Special Drawing Rights (SDR) as determined by the International Monetary Fund (IMF).
https://www.imf.org/external/np/fin/data/rms_sdrv.aspx
- **The Arab Arithmetic Dinar** is the base currency of the Arab Monetary Fund. Equivalent to three of the special drawing rights unit (SDR) specified by the International Monetary Fund. Relevant currency exchange rates against the Arab Arithmetic Dinar as on **March 10, 2022:** American dollar 4.15785

B. Global Financial Crisis:

- **Bitcoin:** Gold 2.0? Try Reserve Asset 3.0:
<https://www.coindesk.com/markets/2022/03/13/bitcoin-gold-20-try-reserve-asset-30/>
- **The conflict between Russia and Ukraine** is beginning to send ripples through the global economy that could lead to a new monetary system.

- **"For several years, various financial experts have been warning** the world about the coming inflation, which is likely to lead to hyperinflation based on unlimited money printing. The dynamite of the global commodity crisis and deficit, thrown into an already catastrophic debt and monetary conflagration, will create a hell of nuclear proportions.
- **Unless a miracle stops this war very quickly (which is extremely unlikely), the world will soon enter a hyperinflationary commodity explosion** (think energy, metals and food) combined with a cataclysmic deflationary implosion of assets (think debt, stocks and property).
- **The world will experience completely unknown consequences** without being able to solve any of them for a very long time.
- **All of the above is likely to happen** even without a global war. If the war goes beyond Russia and Ukraine, then all bets will be made.
- **The good news** is that since commodity inflation is guaranteed, it is obvious that physical gold and a little silver will be a lifesaver against the coming destruction of the asset bubble (stocks, bonds, real estate).
- **After 2008**, the Fed dropped interest rates to zero and began printing money. This was supposed to save our economy. But it didn't end. It went on to the present day, nearly 14 years. And in the process, what was designed to save us, destroyed us.
- **Five firms representing BRICS nations ink pact to mine gold:**
<https://www.financialexpress.com/industry/five-firms-representing-brics-nations-ink-pact-to-mine-gold/420404/lite/>

C. Events:

- **Civilization Near Death Event Scare is Necessary:** Ukraine is the Epicenter of the Cabal's Satanic Operations. *The Bio-Weapon labs found by the Russian Army in Ukraine were placed there by Obama, while Biden set up his family to make monies off the viruses they were producing – all a part of the New World Order Depopulation Plan expected to wipe out 70% of our population this Fall.*
- **A Large Scale False Flag Cyber-Attack Now Imminent?**
<https://www.zerohedge.com/political/large-scale-false-flag-cyber-attack-now-imminent>
- **The White Hats U.S. Military is currently moving anti-ballistic missile (ABM) through several states under cover of night:** New York, Iowa, Colorado, California, Florida, Virginia, Oregon, Utah, Texas, Arizona, Montana. The anti-ballistic missile (ABM) is a surface-to-air missile designed to counter ballistic missiles (missile defense). Ballistic missiles are used to deliver nuclear, chemical, biological, or conventional warheads in a ballistic flight trajectory. The term "anti-ballistic missile" is a term conveying a system designed to intercept and destroy any type of ballistic threat; however, it is commonly used for systems specifically designed to counter intercontinental ballistic missiles (ICBMs)

- **A U.S. defense official** said missiles had been launched at Erbil, Iraq from Iran, AP reported Saturday.
- **Under President Biden**, Putin has his way. Iran fires missiles toward a U.S. consulate in Iraq. North Korea tests missiles at a record rate. And America is a spectator. Can you believe how far we've fallen?
- **Brandon Smith: "It's not about Russia. It's not about Ukraine. The real war is going on between free peoples and globalists.** When they and their puppets are eliminated, most of these disasters will cease. As long as they remain in power, crisis events will only accelerate and become more frequent until they find something that will work. Something that will make most people give up their freedoms in exchange for a false promise of security.
- **The WEF globalists have failed** in their attempts to establish medical tyranny, at least in the US and parts of Europe. The program failed because science was against it in every way. They had nothing. Since 99.7 percent of people were safe from Covid-19, it was impossible to cause enough fear in the population to force them to give up their freedoms.
- **Alarm bells rang when the WEF switched gears** and suddenly shifted focus to a story about cyber attacks. Was that plan B? A large-scale cyberattack under a false flag may be inevitable.
- **Today, military tensions in relations with Russia** will escalate to the limit at any moment, and I suspect that it is only a matter of time before China begins operations against Taiwan as well. However, there is a much bigger threat on the horizon. At the moment, I have little doubt that an attack under a false flag on the United States and/or Europe is inevitable, and by "false flag" I mean that an attack can be staged by globalists, it does not necessarily have to be the fault of a particular country.
- **Globalists are playing on both sides** of the Ukrainian conflict. This is reality.
- **In my opinion, a massive Cyber Attack aimed at the functionality of the Internet** itself is more likely and should happen relatively soon. The number of economic and business processes related to the Internet is huge. Even if the internet goes down for just two weeks, it will affect our markets and supply chain."

D. International Child Sex Trafficking:

- **"Ukraine has entered the top three global suppliers of child porn,"** the Prosecutor General said in June 2021. "Every week 5 thousand devices download such porn," she added. The prosecutor also noted that sexual violence against children is increasing. According to Venediktova, in most cases sexual violence is committed by people from the environment of children, relatives - in 30% of cases."
<https://t.me/WorldawakeningTrueNews>

- **Save the children! Estimated 8 Million missing children** per year worldwide. This was reported in **2012**. Imagine today 10 years later, it's way more. This world is sick, dark and more evil than anyone can imagine. It needs a MAJOR cleanup.

E. 2020 Election Fraud:

- **President Trump:** “Our election was rigged and we can never let this happen again and we will continue to go forward, but we also will never ever forget what happened and we continue to look at this fraud, and things are happening on a daily basis like nobody would believe. It was a fraudulent election and proof is beyond anybody’s wildest expectation.”

F. Global Food, Fuel and Goods Shortages:

- **Many European countries** depend on Russian gas for more than 50% of total consumption. The world market for grain, vegetable oil and fertilizers was extremely tense even before the Russian attack. What is happening now is a commodity "black swan" for both energy and agricultural resources.
- **Last November, the World Food Program warned of catastrophic food shortages for several hundred million people.** What is happening now will worsen the situation exponentially. "Everything goes vertically. The entire production chain is under pressure from all sides," said the former head of the UN Agricultural Markets Division.
- **Energy and agricultural products are interconnected.** Gas is the raw material for the production of fertilizers in Europe. Russia and Belarus account for 1/3 of the world's exports of potash fertilizers.
- **Russia and Ukraine account for about 33%** of the world's barley exports, 30% of wheat, 20% of corn and 80% of sunflower oil.
- **The Goldman Sachs Commodity Index** has grown 3 times since April 2020. The exponential movement has just begun.
- **The Food and Agriculture Organization of the United Nations (FOA) reports a 43% increase in food prices since 2020.** And that was before the real problems started."

H. Covid/Vax Hoax:

- **John Durham:** I'm sure you know a thing or two about how things always get worse before they get better. Do you think you are FREE? Think again! Nobody talks about it anymore... and Trump gets accused by MSM that he is supporting "conspiracy theories"... The Pharma Cartel is such a monopoly that not only they control the market, but they even control what can or cannot be said to the public! They want us to pay fortunes for drugs that are NEVER supposed to heal you. They all have side effects, And they make most of the money when someone dies. They want you sick because they want to control you. No one is talking about METICORE, and its power, the MSM is hiding it because they know its power. TRUST THE PLAN AND TRUST TRUMP. Order Meticore before it's gone: <https://bit.ly/3HF2Ovc>
- **Covid-19 is less deadly than the flu in the UK.** According to the report, there are two main reasons for this: a mild version of Omicron and an already very high level of immunity. "According to government data, before the appearance of the supertransmissible strain Omicron, the mortality rate from this virus was about 0.2 percent. Since then, the death rate has dropped seven-fold and now stands at just 0.03 percent. In other words, one out of 3,300 infected people dies. For comparison, the mortality rate for seasonal influenza ranges from 0.01 to 0.05 percent, which suggests that these two viruses currently pose an equally high threat." <https://exxpress.at/britische-studie-covid-weniger-toedlich-als-grippe/>
- **Vaccine Dangers:** Acute disseminated encephalomyelitis after vaccination against Covid-19 "Currently, there is uncertainty about the safety and efficacy of vaccines in all populations of interest to us" <https://www.sciencedirect.com/science/article/pii>
- **Pfizer CEO Albert Burla admitted that the vaccine against Covid-19 was experimental:** "...mRNA was a technology in which we had less experience - only two years of work on it... in fact, mRNA was a technology that had never delivered a single product before this day, neither a vaccine nor any other medicine." <https://t.me/WorldawakeningTrueNews>
- **China is registering almost 3,400 daily cases of Covid-19,** the highest rate in two years. The northeastern Chinese city of Jilin is partially closed, hundreds of districts are cordoned off. <https://t.me/WorldawakeningTrueNews>

This was suspected to be not radioactive waste, but bio weapon material snuck out of the Ukrainian Labs before Putin’s invasion.

- **Fleming:** Tucker Carlson, Fox News’, Prime Time conservative political commentator, surprised many on Wednesday and Thursday night when he raised shocking questions about U.S. funded laboratories in Ukraine. He stood alone in the spotlight asking serious questions of this Administration and the entities supporting the possible “plot to kill people all over the world.” Here we are, a full 4 days after this story broke, and still no obvious investigative reporting has been done by other MSM political commentators, conservative or otherwise. No one has stepped forward supporting Tucker’s allegations and especially his indignation, echoed by every Patriot. J. Judge Anna von Reitz, 20220304 Fiduciary Regarding World Bank Transition:

- I have been named Fiduciary for all assets belonging to The United States of America, our unincorporated Federation of States, and more recently asked to function in the same capacity with respect to the resources of over 200 nations.
- There is no National Debt, nor is there any interest accrued against any National Debt. The appearance of a National Debt and accruing interest has been manufactured via phony bookkeeping.

K. Summary of the Russian Federation Complaint at the UN:

- "We have called the meeting. We have discovered a clean-up operation of biological warfare operations in Kiev. We have discovered that they were weaponizing the plague, anthrax and other lethal pathologies controlled by the United States"
- **Russian Federation:** We received the information from the biological laboratories in Kiev that they were studying the H5N1 virus, which has a mortality rate of 50%. We also found that they were studying the Plague, leptosporiosis, being able to go from bats to humans. These studies were conducted in the heart of Eastern Europe, right next to the Russian border. Russian Federation: We found out that they were taking blood samples from Slavs that can be used to create pathologies that can specifically target certain ethnic groups.
- **Kiev** decided to use these pathological diseases on its Ukrainian citizens.
- **Kiev** is working with the US to cover up their violations of the biological weapons convention to prevent Russia from discovering this evidence.
- **320 containers of biopathogens** were destroyed in connection with a military program.
- **The US does not provide good information** about its role in these pathological biological weapons research programs. The US State Department suggests that the US is not involved. But there is evidence online to suggest otherwise with plans to use them on local Ukrainian issues. The United States seems to have something to hide.
- **What we told you today is a very small portion** of what we have as evidence. We will publish the content in full in the very near future.

L. FBI documents linking Americans with the "neo-Nazi" Azov Battalion in Ukraine have been found. <https://t.me/worldawakeningdraft/468>

- **"One of the American conservative publications** found additional information linking the Azov battalion with neo-Nazis. In a criminal complaint in October 2018, the FBI charged four men in Los Angeles with being neo-Nazis. These people were accused of being, in fact, behind the riots in the United States.
- **(Note that the current FBI will never do the same for Antifa or BLM members, even though they killed people and caused billions of dollars in damage in 2020.)**
- **The document notes** that members of RAM (the group with which the accused were associated) met with representatives of the Azov battalion, calling them neo-Nazis.
- **On August 1, 2018, an Instagram** user noted the Right Brand Clothing account in a post containing a photo of RAM members during their trip to Germany, Ukraine and Italy at a meeting with Elena Semenyaka, the leader of the international department of the National Corps, a political party in Ukraine that was founded in 2016 from a regiment of Ukrainian military called the Azov Battalion.
- **The Azov Battalion** is a paramilitary unit of the National Guard of Ukraine, which is known for its association with neo-Nazi ideology and the use of Nazi symbols, and which is believed to have participated in the training and radicalization of white supremacy organizations based in the United States.
- **Two RAM members were in Charlottesville.** One participant quarreled with a woman, it seems, from Antifa. We also know that at least one of those identified by the FBI was in Ukraine and was filmed together with one of the members of a neo-Nazi group in Ukraine, a woman named Elena Semenyaka.
- **What's the deal with Biden's Justice Department,** which identifies Ukrainian neo-Nazis but ignores them on January 6? Why are they targeting Americans associated with these groups, many of whom are fake, but ignoring the many Antifa and BLM criminals who terrorized this country in 2020?"

M. Biden Crime:

- **While 79-year-old Biden's apparent declining health is largely ignored** or understated by the mainstream media, the former White House doctor is sounding the alarm.
- **Ronnie Jackson, who worked as a doctor in the White House under former Presidents Bush, Obama and Trump** before being elected representative of the 13th District of Texas in Congress, calls on the mentally and physically incapacitated incumbent president to resign now, and not expose the country to even more suffering.

- **"Biden doesn't know what's going on with Ukraine,"** Jackson tweeted Friday night. "He doesn't know ANYTHING about what's going on! He is cognitively incapable of leading. He must resign before our country suffers even more."
- **Last month,** Jackson urged Biden to take a cognitive test in a crisis that could ignite a world war. "The whole country has been watching his mental cognitive problems for more than a year, and most people have no doubt that something is happening to him, that his cognitive functions are not the same as before, and, in my opinion, keep in mind, now he is not suitable to be our president," he said. Jackson Fox News.
- **"Every time he gets up and talks** to Americans, not only Americans watch him speak, but the whole world, and that's part of the problem," he continued. "He looks tired, weak, confused, he's incoherent, and it sends a signal of weakness to the whole world, and they've seized on it." <https://t.me/worldawakeningdraft/469>

O. "Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities," by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4> **Judy Note:** YouTube has fixed these links so they don't work. I suggest you goggle to connect to the link, or better yet use DuckDuckGo.

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic

Worshippers. Perpetrators giving homage to Satan appeared to be organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

P. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses to pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

R. The Global Currency Reset and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who were right now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

S. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for 90 days, so I will be going silent and taking those 90 days to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
