It's Time

Trust the Plan

["Battle Hymn of the Republic" w/ the Mormon Tabernacle Choir LIVE from West Point | West Point Band - YouTube](#)

Judy Note: The following has been verified by various respected Intel sources – let's just hope it's not another False Flag:

- **Sat. 5 March was** the launch of Global Currency Reset throughout the world, marking a start of the redemption program.
- **On Sun. 6 March** the world moved to a Quantum Financial System. From now on all nations' financial, communication, media and voting systems would be handled through a Quantum Computer that broadcast by way of hundreds of Star Link Satellites presently in place and encircling the globe.
- **On Mon. 7 March** all banks throughout the world made the switch from the old Cabal-run SWIFT System to the Quantum Financial System. This Quantum System was well tested and had been running simultaneously with the SWIFT System since **22 Feb. 2022**.
- **Abbot Downing and Wells Fargo** have been informed that at some point soon there would be an 800# release authorization for Tier 4B (us, the Internet Group), to set redemption/ exchange appointments at some 7,000 Redemption Center off-site locations.
- **Judy Note:** If you wish to receive the special and higher currency exchange rates and/or redeem your Zim, you must make an appointment to do so at Redemption Centers and not go to a bank.
- **Wells Fargo** would be sending out emails worldwide to currency and Zim holders that contained a link to a Secured Website. That Secured Website would also be published in this update and on several Dinar websites. You go into that Secured Website to obtain instructions on how to set your exchange appointment.
- **MarkZ: As of Mon. morning 7 March** Bond Holders and Groups were in a 36 hour window to go.
- **Once began, Foreign Currency Exchanges/ Zim Bond Redemptions would last at least six days**, maybe longer, so book your timeslots ASAP.
- **The Department of Defense** has mandated that the Tier 4B security codes be completed by **Thurs. 10 March**.
- **The above** appears to make the Tier4B notification window between **noon EST Tues. 8 March through Thurs. 10 March**.

A. Judy Note: So, which headline should I pick for today?

- **That yesterday Russian Intelligence in the Ukraine** uncovered that the Cabal had long planned a major False Flag Event for **Tues. 8 March**?
- **Was that imminent Event really not a False Flag**, but the release of biological warfare-infected fleas on the planet from one of the 30 bio-weapons labs in Ukraine funded by the CIA and Pentagon? – that were recently destroyed by the Nazi Ukraine authorities because the Russian Military was headed their way?
- **Or, do we have a different False Flag incoming today?** – and could the reason for that False Flag by the Cabal have a purpose to stop the Internet being removed on **Thurs. 11 March** (as Putin announced yesterday) because then not only would the Cabal's last source of income - Bitcoin Blockchain - stop synchronizing in the event of an Internet shutdown, but all their False News outlets and Social Media including Google that drives the Cabal Agenda, would be destroyed?
- **Or, perhaps I could talk about the perks Russia** would be getting for destroying close to 30 Cabal-CIA funded bio-weapon labs in the Ukraine that were about to unleash multiple viruses on the general public and rescuing children, arresting perps, from a Biden-owned Nazi Ukraine Human and Sex Trafficking ring. Sanctions on Russia by New World Order countries for “invading” the Nazi run Ukraine would soon result in loss of the Petro Dollar and be a final nail in the coffin for a crash of the World Markets, not to mention the perk of closures of 830 Illuminati-owned Russian McDonalds which, like McDonalds across the globe, were serving hamburgers made of the meat of children, plus the great perk of Russia being the first nation to go on the gold standard of the Global Currency Reset.
- **Or, should today's headline read that in a couple of days on Thurs. 11 March** we get Quantum Starlink Internet, along with the regulation of 209 nation's gold/ asset-backed currencies trading on a one to one with each other?
- **Or, should the headline be that Pfizer vaccine documents court-ordered released on 1 March** proved that the US federal government paid media outlets to push the Covid-19 Jab even though there was no medical evidence to support the vaccine mandates?
- – **mandates on vaccines that Pfizer's own documentation showed nine pages of serious adverse health side effects including the deaths of every 17th person jabbed** in Pfizer's own research done prior to CDC approval that they paid millions to get?
- – **mandates that were being so fought by Patriots across the nation that they were supporting 70+ miles of the Trucker Freedom Convoy** encircling the Washington DC Beltway today?
- – **a Washington DC that has been deserted** with a ten foot high barbed wire fence guarded on the inside around an empty White House since a comatose Biden played his part in his fake inauguration partially filmed on a Hollywood stage?

- **Or, should I emphasize that it was rumored that with shutdown of the Internet, all phones would be cut off?** Think Satellites and Internet Cables being cut – because we were getting new Quantum Phones. Think Tesla.
- **Or, would it be more important that the general public know** that the Alliance was advising to download Signal App as “you would need it during the Storm.”
- **Wow. It’s hard to choose.**

B. Whiplash347 Three Day Event, Ten Days of Darkness:

- **A worldwide Blackout** was part of the US Space Force Trump Card.
- **It should be a quick change over** to Tesla Free Energy. See Texas Tower & Tesla Battery Installations – needed power for the Emergency Broadcast System.
- **Ten Days of Disclosure:** 3 x 8hr Movie - 24/7 for 10 days in many languages.
- **No Texts or Phone Calls.**
- **No Internet** while Operation Mockingbird being wiped, (rebooted) and Project Odin Starlink Internet coming Online.
- **Just Signal App** - Highly Encrypted Mil App connected to the Military Satellite – download in Play Store. Signal was no longer controlled by the CIA, but by the White Hat Military Intelligence, NSA.
- **The Turksat Rocket** was a Military Satellite for Military Comms to TVs and Radios for Europe, Africa, the Mid East and Asia.
- **Get all of your photos off Facebook, Twitter, Insta etc.** as they were going away and never returning.
- **The new platforms were controlled** by Trump/White Hats/Space Force etc.
- **Before phones were disabled** all phones worldwide would receive seven messages from President Trump.
- **Market crash, then a transfer of wealth.**

C. Whiplash347: Project Odin and the Quantum Financial System

- **They will announce the Queen’s death.** For three days plus ten days of mourning everything stops in a “Bay of Pigs” Scenario.
- **To do the QFS transfer,** all Banks and Stock Markets across the world will close. They have 3 to 5 days to do the transfer:
<https://www.google.com.au/amp/s/www.businessinsider.com/what-happens-when-queen-elizabeth-ii-dies-king-charles-2018-6%3famp>
- **You will need some cash out** as ATM's/EFTPOS machines will go down.
- **They will kill the Internet** (Putin announced that would happen **Thurs. 11 March**), then announce the Queen’s death, followed by a Bay Of Pigs-like three day weekend war during Ten Days of Darkness and Emergency Broadcast System release, Global Currency Reset and bombings of 34 Satanic buildings globally.

- **Whiplash347, JFK Jr.:** Taking out naZi – Zionist. One in the same and they just don't know. Operation Z. Israel is last. Zion is last. Zion Wuhan/ Big Pharma/ 3GD. Rods Incoming. Paris shooting arrow into Achilles.
- **Zero Day was Fri. 11 March** when Russia disconnected from the SWIFT system and the Petro Dollar went down – unable to recover from events of this **past week**. By **Saturday-Sunday 12, 13 March** the associated worldwide economic problems with oil were bound to appear and shatter the Markets for a potential **Mon. 14 March crash** – just in time for the **Ides of March 15** when traditionally debts were to be settled:
<https://clifhigh.substack.com/p/zero-day>

D. International Child Sex Trafficking:

- **Pedophile convicted of rape and sexual activity of a child:**
<https://uk.style.yahoo.com/paedophile-convicted-rape-sexual-activity-092349967.html>
- **Prince Andrew, Jeffrey Epstein Documentary ‘Prince and the Pedophile’ Sold to Italy by Beyond Rights:** <https://variety.com/2022/tv/news/prince-andrew-jeffrey-epstein-documentary-italy-sales-1235197658/>
- **Taiwan** housed a major human trafficking network that sat in the middle of the South China Sea, Philippine Sea, North China Sea and Indonesia trading route down to Australia. Taiwan has been the hub of human trafficking and sex trade into China for hundreds of years and more recently, housed Organ harvesting networks. The Rothschilds and Rockefellers banking systems created a larger network of investments into Taiwan in the past 60 years and created a power house of electronic chipping supplies and money laundering networks in all countries through the computer, digital industries worldwide and shipping ports that moves their human trafficking networks.

E. Global Financial Crisis:

- **There will be more disruptions in the financial system** as backend changes are implemented with QFS. The most recent is the Mastercard situation in the UK. Mastercards were not working across the UK, creating chaos for credit and debit card users. <https://www.express.co.uk/life-style/science-technology/1576075/mastercard-debit-credit-card-not-working-outage-cant-pay>
- **Credit Suisse's Pozsar says commodities crisis** could weaken Eurodollar, boost Yuan: http://www.reuters.com/article/ukraine-crisis-yuan-credit-suisse-idUSKBN2L50IN?utm_source=34553&utm_medium=partner
- **Russian banks are switching to the Chinese Union Pay payment system.** Alfa Bank, Tinkoff and Sberbank announced that they will issue Union Pay cards (cooperates with 180 countries of the world) together with the Russian payment system MIR. Earlier it was known that Visa and Mastercard are ceasing their activities in the Russian Federation. Cards issued in Russia will not work outside the country, but will work inside

Russia. <https://www.reuters.com/business/finance/russian-banks-rush-switch-chinese-card-system-2022-03-06/>

- **Crude prices surge as US** expected to ban Russian oil. Price of a barrel reached \$129.92 at 1430 GMT.
- **The price of gas in Europe** is already more than \$4,000 per thousand cubic meters.
- **Scholz:** "The EU's energy needs cannot be met without Russian imports, so we do not plan to suspend it."
- **Johnson:** "It's impossible to just stop using oil and gas overnight, even from Russia."
- **Hungary** is against the embargo. The country is already shouting that they have become a victim of sanctions.
- **US:** For the first time since 2008, the average price of gasoline in the United States reached \$4 per gallon and \$5 per gasoline.
- **Italy:** A liter of gasoline in Italy now costs 2.24 euros.
- **France:** Residents of France have already been warned that they should try to reduce energy costs, said French Economy Minister Bruno Le Mer.
- **US Climate Representative and member of the Cabal John Kerry:** "Due to anti-Russian sanctions, we will have to live with higher energy costs for some time"
- **China:** Shares of Rusal in Hong Kong soared by 34% amid rising aluminum prices. The growth of the Russian company's securities occurred precisely against the background of the renewal of the historical maximum by aluminum. The price of non-ferrous metal has risen above \$4,000 per ton.
- **Germany:** "Boycotting Russian oil and gas, we will get double-digit inflation": A German economist described how sanctions against Russia will turn out for Europe, there are two options - bad and absolutely bad.
- **Russia:** Putin is the first largest major country to pull away from the Society for Worldwide Interbank Financial Telecommunication (SWIFT) – a CIA-Rithschild-Rockefellers Deep State controlled banking system headquartered in Switzerland.
- **Russia** went back to Gold backed System that JFK and now Trump planned to create to bring the down Deep State Central World Banking System.
- **Collapse of the world markets** was happening faster than MSM could report or cover-up. That's why you see in every country organizations backed by Elites asking for money for Nazi and Deep State controlled Ukraine donations.
- **Inflation is happening at an immense rapid speed** and picking up pace. Millions of top investors from around the world have sold off their stock and pulled money.
- **China's collapse in the world market** was purposely done to help collapse the Deep State system.
- **China:** An internal coup is silently taking place in the Chinese Communist Party.
- **China** is also headed to a full gold-backed standard.

- **Middle East:** Mohammed bin Salman of Saudi Arabia is uniting the Middle East and preparing them for a gold-backed precious metals banking system.
- **Each of these countries** mentioned and almost every nation, was in the middle of cleaning up their Deep State Cabal controlled country.

F. Covid/Vax Hoax:

- **Australia:** Victorian man dies from Japanese encephalitis as authorities warn people to avoid mosquitos. Health authorities warn of serious risks of mosquito-borne disease as NSW and Queensland also report cases: <https://www.theguardian.com/australia-news/2022/mar/08/victorian-man-dies-from-japanese-encephalitis-as-authorities-warn-people-to-avoid-mosquitos>

G. Demonstrations and Freedom Convoy Rallies:

- **Greece** in Thessaloniki, demonstrators burn the NATO flag during an anti-war rally.
- **70 miles of the People's Convoy for Freedom** from vaccine mandates were staying in Hagerstown, Maryland. The convoy gathered so many vehicles that parts of the convoy were forced to stay in neighboring towns at a distance of up to 30 miles. The convoy makes regular trips into the Washington DC Beltway.

H. Global Food, Fuel and Goods Shortages:

- **Many foods & sugar drinks** will not be returning to shelves. For example, Heinz sauces (said to be infused with Adrenochrome).
- **Global crop collapse now a certainty... widespread famine irreversible.** A convergence of horrifying events have set into a motion an irreversible collapse of food production and crop harvests that will lead to global famine all the way through **2024**. These events cannot be stopped for the simple reason that plants take time to grow. Fertilizer prices have tripled and will likely go higher, especially as Russia has halted fertilizer exports and shut down natural gas pipelines to Western Europe. As a result, the fertilizer supply is growing scarce. About 5 billion people on the planet depend on fossil fuel-created fertilizer for their primary source of food. Food shelves are going to look downright frightening in **2022**, and for the shelves that actually have food, it's going to cost perhaps twice as much. Some items might see prices triple. ... - **Putin:** “The Ukrainian government is a part of the Deep State. We have to siphon off the swamp in Kyiv because in our opinion, Child Trafficking, Adrenochrome production and economic corruption are against human rights.”
- **Ukraine:** "Documentation was received from employees of Ukrainian biological laboratories on the emergency destruction of especially dangerous pathogens of plague, anthrax, tularemia, cholera and other deadly diseases on 24 February. The emergency destruction of especially dangerous pathogens on 24 February was required to prevent the disclosure of facts of violations by Ukraine and the United States of Article I of the Biological and Toxin Weapons Convention" - Russian Foreign Ministry's statement.
- **China** just demanded that NATO declassify the details of the Biological Weapons Laboratories operating in Ukraine. The Chinese Foreign Ministry called on the United States to explain the presence of such facilities in Ukraine and publicly release intelligence on the viruses that were developed there.
- **FBI: Ragnar Locker Ransomware Hacker group** has breached the networks of at least 52 organizations from multiple US critical infrastructure sectors:
<https://www.bleepingcomputer.com/news/security/fbi-ransomware-gang-breached-52-us-critical-infrastructure-orgs/>
- **In 1994**, as part of the New World Order Agenda, 160 Nations agreed to reduce the world population to 800 million by **2030**.
- **Federal Government Paid Media Outlets to Push COVID-19 Job Propaganda; Including Fox News & Newsmax:** <https://welovetrump.com/2022/03/06/report-federal-government-paid-media-outlets-to-push-covid-19-job-propaganda-including-fox-news-newsmax/>
- **The CIA in Frankfurt, Germany** was raided by Q teams Seals & Delta and confiscated servers containing Intel proving 2020 Election Interference. General Flynn confirmed this as have others.
- **The CIA has seven huge, super-secret, global intelligence computer databases deep inside Central Intelligence Agency headquarters** that were named after the seven dwarfs in their Operation Snow White. The CIA funded Hollywood’s Walt Disney and Hugh Hefner, among many other paid/controlled operations like Mockingbird, Honey Traps (Marilyn Monroe had Military clearance to California Military base). The CIA’s Courtney Love also was placed as a low level CIA agent who ran drugs through the England punk scene and trafficked girls between Elites. The CIA super computers were hacked by U.S. Military Intelligence Battalions, who found files in the Snow White computers which connected to worldwide Child Trafficking and Elite rings, and connections between Epstein, Hollywood, Britney Spears, Hillary Clinton, Obama, world Elites, Facebook, Twitter and Google. ...Whiplash347

- **A Large Scale False Flag Cyber-Attack Now Imminent?** A false flag attack on the US or Europe (or both) is now imminent, and what I mean by “false flag” is that the attack will be designed to benefit the globalists: <https://www.zerohedge.com/political/large-scale-false-flag-cyber-attack-now-imminent>
- **Evidence of US-financed biological program in Ukraine revealed by Russian defense ministry:** <https://www.google.com/amp/s/tass.com/defense/1417951/amp>
- **On Thurs. 11 March** the Internet was being removed according to Putin in an address he gave on **Mon. 7 March.**
- **When the Internet goes down** all Mainstream and Social Media would go as well as Google etc. – and we get Quantum Starlink Internet with only "regulated" Precious Metal Currencies.
- **The Bitcoin Blockchain** would stop synchronizing in the event of an Internet shutdown.
- **All phones would be cut off.** Think Satellites and Internet Cables being cut. We are getting new Q Phones, or Quantum Phones Think Tesla P.I.
- **Download Signal App** as you will need it during the Storm. It is a highly encrypted Military App taken over by the White Hats. We would lose phone service during the Event + 10 Days of Disclosure and Whiplash347 felt it was pretty sure that the Military Satellite would keep Signal App going.
- **The International Court of Justice** will hold hearings on March 7 and 8 on the Ukraine conflict.
- **McDonald’s meat supplier was Keystone Foods** – which was recently found to be using human meat, mainly that of children, in their processing plant – another headliner that was kept out of the Mainstream Media. There was an ongoing FBI investigation in the US as McDonalds franchises began to close down worldwide. McDonalds was a big name in the Cabal: <https://www.mcdonalds.com/us/en-us/about-our-food/meet-our-suppliers/keystone-foods.html>
- **HAARP (High-frequency Active Auroral Research Program)** is a geophysical weapon so powerful that it is considered a weapon of mass destruction using Weather modification & manipulation. H.A.A.R.P. is only one among many such installations across the globe's "Super DARN Highway," an array of High Frequency (HF) radars now covering most of the northern and southern hemispheres.

J. Vladimir Putin didn’t just invade Ukraine on 24/02/2022, he officially ended the petrodollar system. Phil Seymour

- “How? Remember, Russians don’t do anything without a plan. They & China have been prepping for this moment for years & are now ready: Russia has stated NATO expansion into Ukraine was a red line. They knew their invasion of Ukraine would be inevitable and would have strategized that the US/West’s response would be SWIFT \$ system exclusions/sanctions.

- It is reasonable to expect that Russia's next step would have been to shut off oil/gas pipelines to Europe, as Russia has built up huge Yuan, gold & commodity reserves. This will cause massive price and supply disruptions (war level) to the western markets & monetary system.
- For years Russia & China have looked for ways to re-monetize gold & exit abuses of SWIFT system as a geopolitical tool against them, but how to do it, how to exit, without West declaring it an act of aggression or war against the West? This Ukraine invasion just accomplished that end for them. And the West is doing it themselves.
- Now, freed to declare themselves SWIFT system outcasts by the western govt hands, Russia can now say "we will turn oil pipelines back on, but not for dollars." Russia then declares that Europe or anyone that wants Russian oil (as of 3rd largest global producer) or Russian/Ukrainian wheat (1/4 of the world's production) must pay in gold, or use the ruble-yuan gold-backed payment system.
- Their leverage as an oil producer (who cuts off supply) will cause almost immediate price shocks to the western world. A good part of the population could immediately be unable to heat their homes. Almost equal to the oil shock they'd cause is their ability to cause food shortages and price spikes through the disruption of wheat production.
- Unmentioned in all this is China. Who has been silent & not condemned Russia? That means silent approval & cooperation. China will act to soak up Russian production of oil and wheat to soften the blow to their "strategic partner." This will again be through the Yuan-Ruble facility and at some point overtly-stated gold backing of that system by Russia and China.
- The West will of course declare those last two bullets as acts of global aggression and direct threats to the "world monetary system." At this point that there will be a clear fracture of the world's monetary system into two competing East/West structures, circling back to the initial point that the 50-year global petrodollar system has just officially been ended by Putin.
- If the above analysis is indeed correct, then the threat to the petro- \$ is no different to the time of Charles De Gaulle or Gaddafi, but on a larger scale. They can't remove Putin as easy as they did with previous leaders who challenged their fraudulent petrodollar monetary system."

L. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4> **Judy Note:** YouTube has fixed these links so they don’t work. I suggest you goggle to connect to the link, or better yet use DuckDuckGo.

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators worshipping Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset. It’s no wonder that President Trump has stated, “These people are sick.”

M. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses to pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why

local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

N. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

O. The Global Currency Reset and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who were right now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

P. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for 90 days, so I will be going silent and taking those 90 days to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
