### **Military Law, Emergency Broadcast System**

#### **To Be Activated**

#### **Q 34 Q Clearance**

#### **Patriot, My fellow Americans,**

**Over the course of the next several days** you will undoubtedly realize that we are taking back our great country [the land of the free] from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light.

**On POTUS’ order**, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement [actionable 11.4].

**Confirmation [to the public] of what is occurring** will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials.

**On POTUS’ order**, a state of temporary military control will be actioned and special ops carried out.

**False leaks have been made** to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast.

**We will be initiating the Emergency Broadcast System [EMS]** during this time in an effort to provide a direct message [avoiding the fake news] to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations [at home and abroad].

#### **A Brighter Day**

*No matter who we are, or where we live, we all need “a brighter day” sometimes. We all need to be uplifted and inspired. We need a moment to celebrate beauty and goodness, to find peace and hope, and to sing praises to God.*

**Judy Note: On Wed. 20 April** Head of the Global Currency Reset Redemption Committee Dr. Charlie Ward, announced that he had been informed that Wells Fargo Bank received the Federal Reserve Codes for Republic accessibility to funds.

The world now expected China to announce its gold holdings in Beijing sometime after **12:01 am CST (midnight EDT Wed. 20 April)**.

This will give the Chinese Yuan full access to the IMF's basket of global reserve currencies, known as SDRs (Special Drawing Rights), replacing the USD as the most influential global currency in the world.

This subtle press release will automatically invoke the gold standard embodied in the UN Paris Agreement.

This was expected to be ratified simultaneously and initiate our final disclosure protocols for the global currency redefinition / Republic currency revaluation of the USN.

#### **A. Global Currency Reset:**

- **On Wed. 20 April 2022** the gold-backed Chinese Yuan replaced the US Dollar as the most influential global currency, the announcement releasing a Global Currency Reset for currencies of 210 nations.
- **The gold/asset-backed USN** was expected to be online for trading **sometime Wed. 20 April** according to Bruce.
- The Rodriguez and St. Germaine Trusts have been **positioned for release this week** with a Back Wall of **Sun. 1 May**.
- **On Wed. 20 April 2022** Bond Holder monies were moving through the EU, the Middle East, Dubai and heading West according to MarkZ.
- **At 2:00 am EDT on Wed. 20 April 2022**, all Reno subgroup leaders expected to have 100% access to their newly renewed USN accounts for an immediate payout. This includes the Admiral's Group, according to Charlie Ward.
- **On Sun. 1 May** the Quantum Financial System activates for currency all over the world, bringing with it the Rule of Law, an end to usury and to any of the Cartel's criminal back door acts, while the QFS tracks money movement as well as the rights and wrongs of people using it, plus ensures perpetrators would be quickly arrested.

- **By Sun. 1 May** and after banks were open the general public could exchange currencies at the new International Rates.

### **B. Wed. 20 April Fleming The Facts Are:**

- Abbott Downing is no longer attached to WF. They have separated and no longer are shared entities.
- China has been in the IMF's SDR listing for a couple of years already. What China hasn't done is announce publicly their Gold-backed status. This will involve a revaluation.
- The Rodriguez Trust and St. Germaine Trust have not moved forward. The payouts have not happened. Their assets are on the QFS and controlled by the QFS, meaning following legitimate protocols. That's huge, huge, huge.
- The "Rescue" is to help from the covid plandemic that we've all been through for the past few years leaving us all in a desperate state. The world needs a healing, that's for sure.
- This phrase, "the global asset buyback program registered in the Rescue," describes the transition from fiat to ISO 20022 digital currency. With the fiat USD and EUR, previously under the control of CABAL IMF, BIS, UST, Feds and FivEyes - 3 letter agencies all over the world, corrupted, and controlling the buy/sell of monetary instruments and fixing rates - screwing countries to cause inflation just to enrich a few - ending. The Great Rescue - or "Shift" as we prefer, can finally begin.
- The only two countries not ISO compliant are: Venezuela and Iraq. They announced that they are gold-backed and have digital currencies. They still haven't completed compliance requirements, verified by a list that Nick holds.
- We're only waiting for this ISO compliance, ISO 20022. When these two countries are confirmed we will start RV GCR. This is happening **before month end**.

### **C. Restored Republic:**

- **The Mass Media has been ordered to begin Ten Days of Disclosure** containing Real News happenings (no longer called Ten Days of Darkness) or they would lose their broadcasting licenses, according to Bruce.

- **The President of Ukraine was gay**; owned a \$40 million Florida mansion; was deeply connected to Hollywood and established Elites; hosted a multitude of US funded Bio-weapon labs; paid Hunter Biden millions in bribes and was a full blown Nazi who was installed after the CIA and US State Department effected a violent coup to oust a

democratically elected administration before silencing and jailing the opposition party leaders and turning off the real news in the country. And this isn't news? Why?"

- **Storm clouds over the global economy have darkened dramatically.** Russia's invasion of Ukraine has led to fundamental questions about Europe's dependence on Russian energy and the continent's geopolitical stability. - **Anthony Fauci's agency for the National Institutes of Health funded research in China, tracking Chinese prostitutes as young as 16.** The discovered studies, published in 2012 and 2013, were conducted after the National Institute of Allergy and Infectious Diseases (NIAID) supported studies of the "killer" bat coronavirus at the Wuhan Institute of Virology. Many believe that the laboratory run by the Communist Party of China is the source of Covid-19 due to its ties to the military and controversial research to enhance the function. A March 2013 study titled "Drug Use and Sex Work: Competing Risk Factors for Newly Acquired HIV in Yunnan, China" is also funded by NIAID Fauci. "This study was supported by the National Institute of Allergy and Infectious Diseases (NIAID) of the National Institutes of Health under the China Comprehensive AIDS Research Program (CIPRA); the Twelfth Five-Year Plan; the National Natural Sciences Foundation of China," the article says. <https://thenationalpulse.com/2022/04/16/fauci-funded-study-on-teenage-prostitutes-in-china/>
- **The USA conducted experiments on psychiatric patients in Ukraine.** "According to the Russian Defense Ministry, the laboratory staff was ordered to remain silent and sign a non-disclosure agreement. American scientists from the laboratory in Meref (Kharkiv region) in the period from 2019 to 2021 conducted tests of potentially dangerous biological drugs on patients of the regional clinical psychiatric hospital No. 3 in Kharkiv. Persons with mental disorders by age, nationality and immune status were selected for the experiments. Special forms were used to register the results of daily observation of patients. The information was not entered into the hospital's database, and the staff of the medical institution signed a non-disclosure agreement. In January 2022, the laboratory in Meref was closed, and all equipment and drugs were taken to the west of Ukraine. There are a number of witnesses to these inhumane experiments whose names cannot yet be disclosed for their safety." <https://thegoodcitizen.substack.com/p/us-biolabs-in-ukraine-experimented>

northern Iraq. The cross-border action, dubbed Operation Clawed Castle, came a day after Turkish Interior Minister Suleyman Soyly said: "We will save Syria and Iraq from the hands of the United States and Europe and establish peace there."

<https://www.arabnews.com/node/2065816/middle-east>

- **The Army General** tapped to take over as top U.S. commander in the Middle East warned Senators that when Russian invaded Ukraine, it created broader instability into the Middle East, including Syria. The Ukraine War would set off a Middle East War, Balkans War, China/Taiwan War, India/China War, plus African and South American Coups.

**M. Mon. 19 April Gene Decode:** [https://youtu.be/vLQZL39c3\\_o](https://youtu.be/vLQZL39c3_o) They captured a US Colonel who verified that the Black Hate US Military was running the war in Ukraine. The Durham report will be the basis for Mass Arrests and Military Tribunals. The Russians have destroyed the largest petro supplier in Ukraine, leaving them with no fuel to continue the war.

#### **N. All Events Connected, White Hats:**

- **The Jim Crow Law was created by the Deep State Democrats** to control the voting rights of the Nation. It created laws that suppressed organizations that supported freedom of speech, voting and any government departments looking into pro-Jim Crow officials who helped push the law forward through Embezzlement, Money laundering, blackmailing of high officials. The Jim Crow laws protected the Democratic parties and gave them a sure avenue to staying in Power.
- **Today Tues. 19 April 2022** House Democrats passed the NASA Bill. Hidden in the Bill is HR-1 and HR-4 Bills which gives power to the Democratic party to manipulate the Elections once again through NO voter ID rights.
- These Bills put together in the NASA BILL allow the Democratic Party to stay in power through various illegitimate laws.
- All these Deep State planned Events were meant to take place – they are part of Events connected to future Tribunals and full exposure.
- Even now Courts were taking place at Gitmo and Cheyenne Mountain for the highest classified cases.
- All Events are connected: Maxwell Case, Elections, UN, Russia, Oil Lines, Ukraine, Kazakhstan, Centralized Banks, the viruses, Big Pharma, Big Tech, Health Industries, World Corporations, CIA, Human Trafficking, FBI corruption, Five Eyes, Vatican, UK Majesty, ect.
- Lin said people have to accept that we are at war right now. Today's wars are not fought by storming the battlefield like yesterday wars: Trump is part of a military operation and the Cabal had planned for decades the fall of America.

- Obama did a lot of damage during his terms. When Clinton didn't win, they used the virus in Trump's final term. It was all the cover they'd need for election fraud. It was to get everyone used to the new normal
- Trump says that he got the vaccine done at record speed. He anticipated that the vaccines would be approved by the FDA and MANDATED FOR ALL. So Trump countered in order to get rid of the fear narrative, to allow America to reopen, to expose Big Pharma, the CDC, election fraud, etc...
- The vaccine would not be FDA approved, but deemed experimental, and most importantly..... NOT mandatory. That is why you are seeing them heavily incentivize the vaccine.
- America was already in a delicate place... he had to weigh his options. A) Tell America the vaccines meant to depopulate the world and enslave us. B) Or endorse it....
- How that would have played out:
- A) A sitting president, warning America that they cannot trust the FDA, CDC, and all the institutions they've come to know and trust... How do your friends and family take it when you tell them these things? It isn't always pleasant.
- B) Allowing a biological weapon (with a low mortality rate) to be released on American soil had advantages.
- Allowing a biological weapon to be released did something crucial— For the first time in history, all 50 states were placed under a disaster declaration. Additionally, thanks to Bush Sr., America was already in a state of war since 9/11... we are still in a state of war.
- Combine the disaster declarations & being in a state of war and Donald Trump has wartime powers of the president. Look up what he can do when he has wartime powers.
- Everything is not as it appears. Everything is done by THE BOOK. Covid also provides white hats the perfect cover to carry out operations. As I've said before, CGI & prosthetics are amazing these days.
- Keep in mind, there are a few very special executive orders that are still active. Two: 13848 Imposing certain sanctions in the event of foreign interference in a United States Election and 13818-Blocking the Property of Persons Involved in Serious Human Rights Abuse or Corruption
- Not all is what it appears. In war, sometimes you have to choose between two bad options. The alternative would have been eventually billions of people dying & it would have been hell on earth.
- God himself has intervened. Let's let him work & do everything we can to help him along the way. These are of course my strong opinions based on the research I have done. Unshakable Faith in Donald Trump.

## **O. Theory, Whiplash, Erem:**

- **Crash has to happen on Biden's watch.** Biden and Macron go at the same time. French Election is Sunday. So crash happens this week before French Election.
- **When does the Queen die?** She's in the helicopter on Thursday. 3 days of media Blackout. 10 days mourning for commonwealth countries.
- **Sunday Biden is taken out with Macron.** 10 days start then.
- **SEC Conf** will be analyzed. Dark [10].
- **We come back online** and all crypto crashes because regulation has happened in the 10 days of darkness.
- **Then Phoenix rises** from the ashes when the darkness clears!

**Q. "Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,"** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan appeared to be organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the

process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

### **R. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

## **T. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**U. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
