The Greatest Military Intelligence Operation of Our Time

Dark to Light

“America is the greatest country in the history of the world because of the principles of individual liberty that we believe are given to us by God. Take that away, we are no different than anyone else – which is exactly what the Globalists want.”

...Denzel Washington

“Look for the Light”

Light Allows Us to See Life More Clearly as We Distinguish Truth from Error and Make Better Life Choices. Light is the Sunshine of the Soul.

Judy Note: The fiat US Dollar was no longer being traded internationally, while the gold/asset-backed USN in a digital format *was* being traded internationally. There were 106 of the 210 participating nations that were gold/asset-backed and using the Quantum Financial System right now. We were in the final days for Tier 4B to set exchange/redemption appointments.

The Restored Republic: The Q Movement was in the middle of a Military Sting Operation that would expose the Crime of the Century: the Chinese Communist Party and CIA in cooperation with Global and Political Elites including leaders of the Democratic Party have used Election Fraud, Treason, and Sedition to implant foreign powers in all three branches of the US Government.

Hopefully soon so-called “US President” Joe Biden, his son Hunter and brother James would be facing Treason and other serious charges for dealings made in China (more than 150 transactions); owning 200 acres in Ukraine beneath which were found tunnels containing US funded and run Bio-weapon labs set to release pathogens on the public this Fall, plus those same Bio-weapon labs were found performing human experiments on thousands of children and the Ukrainian people – those extensive tunnels of which connected to a Chinese Communist Party International Child Sex Trafficking, Organ Harvesting, Drug and Gun running Ring.

Ukraine, the center of the world's Deep State activities, contained 33 US funded and run Bio-weapon labs that were being readied to release pathogens upon the People of the world this Fall in order to complete the Deep State Depopulation Agenda.

Last month's invasion of Ukraine by the Russian forces has resulted in destroying those bio-weapon labs. Putin's Spetsnaz Special Forces also have rescued over 35,000 children so far who were held captive in DUMB underground tunnels buried deep beneath Biden's 200 acre property in Ukraine. It was rumored that rescue efforts were still ongoing.

Dr. Peter McCullough used the Bradford Hill Tenants of Causality to link vaccines to death. Is there a large epidemiological signal? Yes. Is there a dangerous mechanism? Yes. Are there other conditions induced by the vaccines that can be fatal? Yes. Is it temporally related? Yes. "It is beyond any shadow of a doubt that the vaccines are causing large numbers of deaths. It's unequivocal. Now I'm a card-carrying epidemiologist, [and] I'm telling you, the vaccines are causing large numbers of deaths."

An Australian Senator has confirmed that the Vax contains Nanotechnology that self-assembles inside the body and leads to suicide.

D. The Real News for Thurs. 7 April 2022:

- **WARNING:** Unsafe levels of **URANIUM** have been detected in **TWO-THIRDS** of public drinking water in the United States **MIDWEST AND SOUTH** at highest risk.
- **Putin frees 35,000 children held captive in Ukraine with his Spetsnaz Special Forces:** <https://t.me/SpecialQForces/17552> <https://t.me/SpecialQForces/18463>
- **Putin:** “We Are Rescuing Biden’s Victims from the global children trafficking network.” Putin made abortion illegal after 12 weeks, stopped CNN and Facebook in Russia, built 30,000 churches in 30 years (he’s an active Christian), was taking on LGTB and wants Soros dead or alive. It’s obvious why the Left wants you to hate him.

- **April 6 2022 New York Post: Clinton Cabal Exposed.** Durham lifts lid on Hillary’s joint venture to frame Trump. Hillary is going down. Been years we know she's out but at least now it is made more public. Public are retarded in the news and we're just advanced.
- **Years ago Lou Dobbs broke the story that Mexican Drug Cartels were paying Pelosi and Schumer millions \$\$\$ to keep the Border open.** El Chappo paid Hillary 15 million

\$\$\$ for her 2016 campaign. Now we see exactly why these political terrorists won't build the wall.

- **Sotomayor Hanged at GITMO:** As internet traffic on Monday was clogged with articles and memes about actor and Illuminati member Will Smith slapping comedian Chris Rock at Sunday night's pedophile summit known as the Oscars, a story of greater importance, the hanging of former Supreme Court Justice Sonia Sotomayor, received nothing but a whisper. <https://realrawnews.com/2022/03/sonia-sotomayor-hanged-at-gitmo/>
- **Texas is preparing charter buses** to send illegal immigrants to Washington, Governor Greg Abbott has announced. A state official said up to 900 buses could be used to transport migrants to Washington.
- **Tens of Thousands of Children** were still being rescued, or their mutilated bodies found dead with organs missing, in an extensive network of Underground Tunnels throughout the globe. All had been tortured and raped for their Adrenochrome that was sold for high bucks to Political and Global Elites. The latest rescue effort was by the Russian Military who stormed the US funded Bio-weapon Labs of Underground Tunnels beneath Biden owned property in Ukraine.
- **The Red Cross was involved in Child Trafficking** and was another massive scam. 80%+ blood donations are resold for plasma companies. That is why they call and harass people to give blood to help others in needs. They get it free from us stupid sheeple and they resell for massive profits.

E. Biden Crime and Corruption:

- **Exposed: Joe Biden Implicated in Hunter's Shady Businesses.** A witness told a grand jury that "the big man" behind Hunter's deal with a Chinese energy conglomerate is President Biden. <https://elamerican.com/president-biden-son-hunter-business-dealings/>
- **Brian Cates, political correspondent: Everybody knows Joe Biden has been lying his ass off** about not being involved in his son's business deals. But a power shift is underway. And the side that used to be able to effectively cover for him and shield him from the consequences of his almost 50 year long career of bribery and graft is losing it's ability to protect him. His ascending to the presidency actually doomed him. He was always far too small for the office and even as a puppet being managed by handlers he's sinking and taking the entire Democratic party with him. The lies were so blatant and in your face and the evidence was so glaring that now that the protection is being stripped off of him his entire administration will collapse. The scandals are coming. They haven't even really started yet. This is the trailer before the curtain comes up on the real show.

- **Hopefully soon so-called “US President” Joe Biden, his son Hunter and brother James would be facing Treason and other serious charges** for dealings made in China (more than 150 transactions); owning 200 acres in Ukraine beneath which were found tunnels containing US funded and run Bio-weapon labs set to release pathogens on the public this Fall, plus those same Bio-weapon labs were found performing human experiments on the Ukrainian people – those extensive tunnels of which connected to a Chinese Communist Party International Child Sex Trafficking, Organ Harvesting, Drug and Gun running Ring.
- **Worse, those same Biden-owned Underground Tunnels contained tens of thousands of tortured children** who recently were rescued, even more found dead, half eaten with organs missing, by the Russian Military – which immediately thereafter was summoned before the UN Council for Human Rights violations – even though the most prominent Human Rights Violations appeared to be very little, if any, of this earth shattering news would be covered, let alone investigated, by the Mainstream Media.
- **Do you sense that something was very wrong here?** Perhaps that Underground Tunnel found beneath a Satanic decorated basement of the UN Building in New York has something to do with the problem.
- **The UN General Assembly** has suspended Russia from the Human Rights Council in a 93-24 vote, with 58 countries abstaining.

F. Russia-Ukraine War:

- Hundreds of people tell how the Nazis under the command of Zelensky destroyed Mariupol and its inhabitants
- Residents of the liberated territories in Ukraine greeted the armed forces of the Russian Federation with gifts and thanksgiving.
- Who killed the civilians in Ukraine? Answer: Ukraine
- Who bombed civilians in Ukraine? Answer: Ukraine
- Who provided humanitarian aid to Ukrainian civilians? Answer: Russia
- **False Flag Warning:** According to the Russian Defense Ministry, Kiev is preparing a toxic agent provocation in the town of Pervomaisky in the Kharkov region. SBU officials have booby-trapped a storage facility there with 120 tons of chlorine, plan to blow it up, and then blame Russia. Wide publicity can often prevent something like this from happening, because people in Ukraine get wind that it has made the rounds in the West. So please spread the word.

G. Mainstream Media Crime and Corruption:

- **Hunter Biden Laptop From Hell:** 450GB on it's way to be released
- **A whistleblower who's fled the United States for Switzerland** has vowed to drop '450 gigabytes of deleted material' from Hunter Biden's abandoned laptop, which he says he also gave the the Washington Post, New York Times, and Sen. Chuck Grassley - all of whom he says sat on it for months.
- **For the past two weeks, former Steve Bannon War Room co-host Jack Maxey has been hiding in Zurich**, where he told the Daily Mail he's been working with IT experts to dig more data from Hunter's 'laptop from hell,' and that he'll post it all online in a searchable database in the coming weeks. Maxey says the data includes 80,000 images and videos, and more than 120,000 archived emails.
- **"I came here so that we could do a forensic examination of Hunter's laptop safely in a country that still respects human liberty** and the ideals of liberal democratic principles," he told the Mail. "I do not believe this would have been possible inside the United States. We had numerous attempts on us from trying to do things like this there."
- **Maxey said that after contacting DailyMail.com about the laptop last year, black suburban SUVs appeared outside his house**, and former US intelligence officer friends he shared copies with told him they received strange calls.
- **'I showed this to a friend of mine in desperation in February [2021] because nobody would listen to me. No news organizations would take it.** In fact, the very first major news organization to take it was the Daily Mail,' he said. 'Very dear friends of mine, the sharp tip of the spear, were making welfare calls to me every day, basically to see if I was still alive.'
- **One former intelligence agency senior staffer** allegedly told Maxey after he received the hard drive two years ago "If you don't release enough of this, so that they know you can release all of it, I'm telling you brother, you're a dead man." After receiving this advice, he began posting caches of emails and other material from the laptop on various file sharing sites - only to find the links removed within an hour.
- **"There were five drop boxes:** two in the United States, one in New Zealand, two in the UK. All the same drop boxes in which they tell us child pornography is shared around the globe without any consequence because they can't look at it," he said, adding: "These are all Five Eyes countries, English speaking countries in an intelligence sharing agreement. And they were all ripped down."
- **So this means that our intelligence services**, who still have not even acknowledged that they have Hunter Biden's laptop, were obviously diligently doing cache searches across the internet to find out if any of this stuff was being released. That should terrify every single decent person in the West."
- **According to Maxey, he went to Switzerland** because they are home to the only file sharing site that didn't nuke the laptop files –

- **The former Bannon podcast co-host said he is livid at the FBI**, who he believes slow-walked their investigation into Hunter and failed to enter the laptop they received from Mac Isaac into evidence for months.
- **According to the New York Times, files from the laptop are now part of the evidence** in Hunter's federal prosecution for alleged tax fraud, money laundering and illegal foreign lobbying.
- **Among the files on the laptop are a raft of emails and documents showing Hunter's dealings with Burisma**, a Ukrainian gas firm that became the center of Trump's first impeachment in **December 2019**. The then-president was accused of pushing Ukrainian president Volodymyr Zelensky to announce investigations into the Bidens and Burisma for alleged corruption.
- **The FBI had this on the ninth of December 2019,"** said Maxey. "I suppose the first person betrayed was a sitting US president in an impeachment hearing, when the FBI had the exculpatory evidence in their hands to have that end instantly, and they did nothing."

H. Global Food, Fuel and Goods Shortages:

- **The global shortage of fertilizers** means that in 2022 much less food will be grown all over the planet.

I. 2020 Election Fraud:

- **Karen Fann's Response to Arizona AG Interim Report:** "The AG's findings of failures, fraud, and potential misconduct during the 2020 election in Maricopa County are not surprising, given the lack of compliance and cooperation Maricopa County elections officials displayed from the start."

J. Underground Tunnels, DUMBS Around the Globe:

K. Covid/Vax Hoax:

- **"The real epidemic has come. Destroyed immune systems and alarming figures of excess mortality.** It so happened that I am engaged in a business related to morbidity; I am the CEO of a large insurance group (...) Based on what we see, the indicators now amount to 84% of excess mortality and 1,100% of excess mortality in any type of disease. This year (2022) we expect an increase in excess mortality by about 5,000%. A huge figure. By the way, I don't think Moderna has just accidentally received approval for its HIV vaccine for emergency use. So, you have infected everyone with AIDS, and here is your salvation, namely this vaccine."
- **The Russian Ministry of Defense has published new findings and documents on the US program to create bioweapons in Ukraine.** "Metabiota is known for developing forecasts of outbreaks of infectious diseases. The Pentagon also used them to simulate the epidemic situation in the former Soviet Union. It is possible that the official research program is only a "visible part of the iceberg" and that in practice volunteers were infected with the Congo-Crimean fever virus, hantaviruses and leptospirosis pathogens. Such a carefree attitude towards the citizens of Ukraine testifies to the pragmatic approach of the United States to the organization of military and biological research. Developing countries are considered testing grounds for biological weapons components and medicines." <https://www.anti-spiegel.ru/2022/menschenversuche-in-us-labors-neue-informationen-ueber-das-us-biowaffenprogramm-in-der-ukraine/>
- **Bombshell: Pfizer Saw So Many Adverse Events, They Had to Hire 2,400 NEW Employees to Process Them.** Dr. Naomi Wolf: "[Pfizer] hid, they concealed, they redacted from disclosure, forced by court, the fact that they were processing so many adverse events in the first three months... that they had to hire 2,400 new employees. They hid that; they concealed it... the volume of bad outcomes, dangerous outcomes... there were so many [that] they couldn't keep up with it with their own staff."
- **Whistleblower nurse Jodi O'Malley cleared of all wrongdoing by Arizona Board of Nursing** after secretly recording Doctor inside her Federal hospital revealing that the Government didn't want Americans to know "[COVID-19] vaccine is full of sh*t."

- **Pfizer is selling us a lot of shit.** They sponsor the Oscars, fake a traumatic event and then sells post trauma pills. They inject people with HIV and then sell them HIV pills. Can't be more evident than this. 1+1=2 Wake up Sheep.
- **Dr. Peter McCullough** used the Bradford Hill Tenants of Causality to link vaccines to death. Is there a large epidemiological signal? Yes. Is there a dangerous mechanism? Yes. Are there other conditions induced by the vaccines that can be fatal? Yes. Is it temporally related? Yes. "It is beyond any shadow of a doubt that the vaccines are causing large numbers of deaths. L. Protests around the globe:

- **Holland:** Thousands of Dutch Protesters Take to the Streets of Nijmegen to Demonstrate Against the Government "Love, freedom, no dictatorship!"

M. Let's Recap:

- **Chris Rock** makes a joke about Jada Smith's Alopecia at the Oscars.
- **Will Smith** "smacks the shit" out of Chris – even though it was believed Rock wasn't hurt because of the padding embedded by his makeup at that exact spot on his cheek.
- **The media goes nuts**, pushing "Alopecia Awareness" into the mass consciousness.
- **Pfizer** happens to be bringing an Alopecia drug to the market.
- **Pfizer** happens to sponsor the Oscars.
- **Meanwhile at that very same time, the rescue of tens of thousands of tortured children, others deceased with organs missing**, by the Russian Military out of a Biden-owned 200 acre estate in Ukraine gets zero coverage by the Mass Media, even after Putin announced, "We are rescuing Biden's Victims from the global children trafficking network."

N. Deep State Internet

- **Obama, the real Deep State Shadow President**, knew the virus Covid-19 Sars was created to be released after his presidency, so in his time as president he created an Internet Kill Switch which could also be activated by the CDC.
- **This internet kill switch** could/would be used in a time of a Pandemic – at a time when the Public would start to resist the narration of the CDC and NIH that would be connected to an outbreak causing a Pandemic.
- **Obama knew that the free flow of information through internet networks** could break the narrative of a Fake/False pandemic. The only way to keep the narrative fear

mongering going was to shut down the internet, replace with Martial Law and complete control through only Deep State news media that could control all air waves and satellites.

- **Trump created the Space Force Intelligence Agency** to counter these moves. Military Operations will take place within those dark days.

O. Thurs. 7 April 2022 Nick Fleming: The Quantum Financial System

- There were 210 participating countries involved in revaluation of their currencies for the Global Currency Reset.
- The US is not just the most prolific issuer of debt instruments, but the US Treasury was the ultimate controller in the issuance of government bonds from all participating nation states.
- Those trying to prevent the GCR from happening included murderers, world leaders and their cohorts involved in crimes and treason of their People, plus all banks in the world being shut down for BASEL 3 noncompliance.
- Over the past decade of daily, wait-for-it, stressful, heightened expectations for RV GCR and NESARA/GESARA, we have seen remarkable changes taking place.
- With the implementation of the Quantum Financial System technology has improved to provide for the safe and secure movement of money which is now tracked for more than 50 moves.
- The days of the OPEC dollar's hegemony – Fiat USD and EURO, is over. Gold and asset-backed trade is regulated for fair dealing, accomplished without onerous/corrupt oversight – without threats of payola, bribes, baksheesh, or mordida for instance, for “the Big Guy.”
- Every one of these participating governments has laws to address this crime of Treason against their People. The “backdoor” control of SWIFT and other vehicles has allowed this to occur and the “System” in place protected the wicked. The new Quantum System eliminates this possibility.
- There is not just one owner of the Global Financial System. There is an Alliance of participating governments working in cooperation – because to participate in Global Trade, they must.
- The QFS North American backbone (located near Phoenix Arizona for the US) is run on the most sophisticated, fastest in the world IBM Quantum Computer.
- Every Quantum Computer – server, linked with this backbone is programmed with the (existing) laws for all international trade and monetary transactions. With this System there can be no corrupt influencing, or criminal behavior.
- Shortly there will be a “Protocol 19 & 20” announcement discussing the new North America Central Bank Digital Currency, with XRP. “Protocol 19” will discuss the valuation/legitimacy of digital currency, with ISO20022 Regulation.

- More importantly, it is also about Liquidity.
- This new digital currency that is lawfully validated under ISO20022, is outside of the Rothschild/oligarchy's control. There is no further payola to "The Big Guy" required. There is no Big Guy. Everyone is equal and that's the very point.
- Protocol 20 is the complete transformation to Quantum Technologies and was well under way to being installed all around the world.
- Canada was the most recent nation to install this week and more nations were installing daily.
- This is the End Phase for testing Protocol 19 and 20 and everything is going superbly. If there were any dissenters they were being dealt with summarily.
- Every nation state has agreed, and this Agreement was adjudicated by World Court. This was not up for discussion or exclusion.
- Each Continent will have one central location with upgraded Quantum Technology and each country will have a unique CBDC (Central Bank Digital Currency) used for international trade.
- For example USA 's central location is in Arizona; South America's central location is in Brazil. Africa's central location is in Cape Town, South Africa.
- Each Continent has a central location and one main "token" released. This "token" will represent each country on that continent.
- Stellar will play a very important role in the creation and the management of "tokens" provided to each participating country and backing these CBDCs.
- This is the elimination of the BIS, the IMF and the UST Cabal control over the world monetary system. This will help every Sovereign Being & their countries stay stable, avoid inflation, debt and taxes. This will be the basis of Fair Trade in stable currency (backed by "tokens") on the Planet Earth.
- Today most of the world is aware of "Bitcoin" and have zero knowledge of "tokens." In similar fashion, today most of the world is aware of "government bonds" and have zero knowledge of the existing buy/sell maneuver, monetizing and flipping these bonds which are all backed by the Global Collateral Accounts held in the World Bank.
- Most people haven't a clue to this behind-the-scenes scheme which has stolen every nation's abundance and forced onerous taxation on all.
- This Cabal machine was managed under the control of a board comprising leaders from the US Treasury, European Union, Royal Family and Communist China Government, which managed the Bank for International Settlements and International Monetary Fund – all coordinating with the United Nations in cooperation with the World Economic Forum.
- There were 106 of the 210 participating nations that were presently using the QFS right now.
- The "sanctions brought against Russia" by the United States government, BRICS and any country seeking to benefit from cheap oil prices were rushing to utilize the new QFS.

- Russia, China, India and Saudi Arabia were using Ripple's XRP.
- Basil 3 and 4 and the decentralized Blockchain were how fair, lawful trade was to be made possible and viable in today's world. Thank you, Russia for forcing this issue.
- First came the laws that created the infrastructure of the QFS to build upon. The validation of these inviolable, qualified, certifiable assets, using an incorruptible System, came first. This was no small task with every man-made-machine throwing wrenches into the mix (like the S.E.C. lawsuit on XRP). These laws encompass the actual System, and what feeds into the System, as in every single Executive Order ever implemented to end corruption and all corrupt acts, supporting the seizure of all assets owned anywhere in the world by the malefactors/law breakers, no matter what entity they hide under.
- The announcement of ISO20022 and the discussion of these "tokens" held by sovereign countries is to be delivered simultaneously, along with the release of restoration and redemption money for every person on the planet.
- Disclosures to the public will show how silver backed XLM will be used as the digital asset held by the people.
- More than half of this is still under wraps and under the control of the Military.
- The plan going forward is to crash the fiat dollar. This QFS is the System that is backstopping the crash of not only the value of the dollar, but the stock market as well. This is all that we are waiting for.
- The fake Biden Administration, under a bankrupt US Government Inc., is in receivership and must depart – along with every corrupt government in the world, presently under terrible leadership.
- This is a massive "Economic Adjustment" facilitated by the wise coordinated efforts of a Global Alliance, working in cooperation to deliver Freedom and Prosperity of One and All People.
- We are waiting for these "tokens" to be produced under the right Agreements and delivered to every participating nation to establish that country's "release" from the onerous system that has enslaved their People.
- This is the Greatest Event in history and it is happening right now, in our lifetime.
- The timing for this Disclosure is subject to the various moves and countermoves and forced acts – all of which have been "Checkmated" for a while now.
- The losing side must step away from the table. This was what we were waiting on.
- Once this was all managed, Ukraine will announce it has now reached an Agreement.
- This watershed moment is expected this month.
- An important take away from all of this is that Tier 4 will hold the assets to deliver massive humanitarian aid to all of the North American continent and reach far beyond, with the Quantum Financial System there to help facilitate.

Q. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](https://www.raw-dr.com)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](https://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

R. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

S. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

T. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

U. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
