

While we are emotionally ready, *even desperate*, for the **relief of financial freedom**, are we really well equipped to take this leap into the life of the ultra-rich?

None of us possess all of the knowledge and skills required to manage wealth, start a business, or run humanitarian projects effectively. This is why **Teamwork is key**.

Some history on money and a solid perspective on the global currency revaluation's viability.

We are living through an unprecedented time of enormous wealth transfer.
